## CAREER OBJECTIVE

Senior Front-End Developer with 20 years of proven leadership and meaningfully contributions to teams of varying size and scope. With my results-driven mentality, I transformed my team at GitHub by seeking, learning, and teaching new, efficient technologies to make aggressive deadlines consistently achievable. Passionate about going the extra mile to ensure the customer is unquestionably satisfied with the product or service provided. With emphasis on scalable and well-documented code, I look forward to working collaboratively as well as spearheading independent projects.
